Jesus Christ was born about 2,000 years ago. His birth date was 6 BC and he died in 30 AD. His teachings are spread all over the world and he is still the focus of many religions. He never became the king of a nation or a famous military leader, which is why some people

consider him a saint and others think he's a lunatic. Jesus taught people to love others as they love themselves. He was a carpenter by trade and he was well-known for his good looks. This is a mystery to many people but for those who believe in him he is a man worthy of the greatest respect. There are many articles, books, and websites about him so it might be interesting to learn more about the life of Jesus Christ. Natural treatments for high blood pressure Written by: Robert Brauerman Created: Monday, 03 October 2009 Have you ever noticed that the same symptoms occur in people with high blood pressure? Symptoms

can include swelling in your hands, ankles and feet, headaches and tiredness.
